HSE Integrated Healthcare Conference 2026 - Poster Presentations organised by Regions		
Poster Number	**Poster Title**	**HSE Health Region**
CEN01	Community Care Record: building a national digital foundation for integrated community care	HSE Centre
CEN02	Ireland's First National Diagnosis-Coded Emergency Care Dataset: Enabling Transformation and Activity Based Funding (ABF)	HSE Centre
CEN03	Towards true interoperability in the Irish healthcare landscape - a description of the Dataset Specification Management Process (DSMP) collaborative	HSE Centre
CEN04	The HSE Health App: Enabling Safer, Accessible and Integrated Care	HSE Centre
CEN05	Delivering Integrated Care Through the HSE Health App	HSE Centre
CEN06	Co-design of the Integrated Service Delivery Model for HSE Health Regions	HSE Centre
CEN07	Enabling Data, Enhancing Care - Shared Care Record	HSE Centre
CEN08	Enabling Data, Enhancing Care - The Value of a Shared Care Record	HSE Centre
CEN09	ENABLING INTEGRATED CARE IN PRACTICE.SHARED PURPOSE, TEAMWORK & ORGANISATIONAL READINESS	HSE Centre
CEN10	Optimising antimicrobial use through HSE AMRIC antimicrobial guidelines	HSE Centre
CEN11	Integration in clinical practice through the development and implementation of standardised transmission-based precautions poster resources	HSE Centre
CEN12	Pilot implementation and evaluation of Digital EMEWS in Irish Emergency Departments.	HSE Centre
CEN13	Developing a new Model of Care for Gender Healthcare: maximising stakeholder engagement.	HSE Centre
CEN14	Strengthening Relationships Between Communities and Healthcare Systems: The Role of the Green Ribbon Campaign	HSE Centre
CEN15	Harnessing digital technology to empower patients to self manage their OA symptoms over time	HSE Centre
CEN16	Estimated Demand for Rehabilitation in Ireland: Informing Integrated Services Planning	HSE Centre
CEN17	Integrating and Standardising VFAC Pathways across centres managing trauma and orthopaedic care in Ireland	HSE Centre
CEN18	The Impact of Implementing Future Care Plans for Patients with Palliative Care Needs (ENCIRCLE-PC)	HSE Centre
CEN19	Care, compassion and cancer: developing a national survey of cancer patient experiences in Ireland.	HSE Centre
CEN20	From Fragmented CYP Health Data to a National Quality Intelligence Framework	HSE Centre
CEN21	Learning from Incident Reporting in Emergency Departments: A National Analysis to Support Safer Integrated Care	HSE Centre
CEN22	Strengthening Governance Through a Revised National Clinical Governance Framework	HSE Centre
CEN23	Embedding Lived Experience in Clinical Guideline Development: Co-producing Ireland's National Clinical Guideline for Myalgic Encephalomyelitis	HSE Centre
CEN24	A National Quality Improvement Framework to Enhance Emergency Care for Older Adults in Ireland	HSE Centre
CEN25	A National Framework to Enhance Emergency Department Response to Domestic, Sexual and Gender-Based Violence	HSE Centre
CEN26	Meeting women where they are: expanding nurse-led cervical screening from 8 to 37 settings	HSE Centre
CEN27	Removal of Barriers to Optimise Access to Stop Smoking Medicines via HSE Stop Smoking Services	HSE Centre
CEN28	Strengthening community-centred care and prevention through expansion of the role of community pharmacists	HSE Centre
CEN29	All Islands Health Programme	HSE Centre
CEN30	Developing a national maternity population health profile to support integrated care: national maternity trends 2014-2025	HSE Centre
CEN31	Enabling General Practice to deliver recommended stop smoking care through electronic referral	HSE Centre
CEN33	Embedding Traveller Cultural Awareness & Anti-Racism Training (TCAART) to improve Traveller Inclusion in HSE services.	HSE Centre
CEN34	Home, Health, and Ageing: Housing Tenure and Well-being in an Ageing Population	HSE Centre
CEN35	Managing Demand Differently: Clinical Queries as an Alternative to Outpatient Referral in Integrated Care	HSE Centre
CEN36	An initial exploration of mortality rates across the CDM Programme early signs of better outcomes?	HSE Centre
CEN37	Translating the Model of Care into Practice: The Development of an Integrated Dementia Adviser Service	HSE Centre
CEN38	The Diabetes Prevention Programme (DPP) scaling up, improving access and reaching those at highest risk.	HSE Centre
CEN39	Ethnic Inequities in Access, Continuity and Engagement within Ireland's Chronic Disease Management Programme	HSE Centre
CEN40	Online Professionally Moderated Peer-to-Peer Family Carer Support Interventions; Care Alliance Ireland	HSE Centre
CEN41	Multiple Sclerosis Services in Ireland — The Case for a Networked Hub and Spoke Model	HSE Centre
CEN42	Delivering Integrated Chronic Disease Care in Ireland: Outcomes from the Chronic Disease Management Programme	HSE Centre
CEN43	Communication and information sharing in care integration for older people: The experiences of CSTOP teams	HSE Centre
CEN44	iRESTORE Phase 2: Strengthening Prevention and Community-Centred Care Using Residential Older Persons Early Warning System	HSE Centre
NI02	Improve Services within Integrated Care Teams	HSC Northen Ireland
NI03	Embedding Co-production as a Way of Working to Strengthen Integrated Social Work: Quality Improvement Model	HSC Northen Ireland
NI04	Can Access to Heart Failure Telephone Advice Line Reduce Heart Failure Admissions? A Single Centre Experience	HSC Northen Ireland
NI05	Personalised Care Support Workers Test of Change	HSC Northen Ireland
NI06	More than Medicines: An Enhanced and Integrated Medication Review Programme	HSC Northen Ireland
NI07	Improving Access to Patient Information Leaflets Across Primary Care Liaison Services: A Quality Improvement Project	HSC Northen Ireland
NI08	Videofluoroscopy Service (VFS) A joint Speech and Language Therapy and Radiography Service Improvement Project for Instrumental Dysphagia Exar	HSC Northen Ireland
NI09	A gift of comfort – supporting patients with a diagnosis of Breast Cancer	HSC Northen Ireland

HSE Integrated Healthcare Conference 2026 - Poster Presentations organised by Regions		
Poster Number	**Poster Title**	**HSE Health Region**
NI10	Project BRAINS (Better Recognition of Acute Ischaemic and Non-Ischaemic Stroke)	HSC Northen Ireland
NI11	Enhanced Patient Care Observation (EPCO)	HSC Northen Ireland
NI12	From Incident to Improvement: Enhancing Gentamicin Prescribing and Monitoring	HSC Northen Ireland
NI13	Establishing a Multidisciplinary Front Door Frailty Intervention Team	HSC Northen Ireland
NI14	Reducing Medication Incidents Using an Acuity Tracking System	HSC Northen Ireland
NI15	Reducing the administration PRN for sedation in Silverwood Ward	HSC Northen Ireland
NI16	Children in Care – Skills Mix	HSC Northen Ireland
NI17	Improving Encompass for the Paediatric Epilepsy Service	HSC Northen Ireland
NI18	Seasons of Life: Nurturing Resilience in Children's Grief Journey through Co-Design, Compassion and Collaboration	HSC Northen Ireland
NI19	Getting Point of Care Right, First Time	HSC Northen Ireland
NI20	Sowing Seeds of Improvement – More than a decade of growing capacity in Quality Improvement	HSC Northen Ireland
NI21	Evaluation of a Frailty Simulation Programme	HSC Northen Ireland
NI22	Energy Savings Initiative for Theatre Ventilation Systems	HSC Northen Ireland
NI23	Successful implementation of Bar Code Medicine Administration across 45 inpatient Wards	HSC Northen Ireland
DML01	The impact of integrated care on quality of life in community-dwelling older adults with frailty:	HSE Dublin and Midlands
DML02	Living and Dying Well at Home Through Integrated Care	HSE Dublin and Midlands
DML03	Thinking Ahead Hospital to Home: Nurse-Led Integrated Care Pathway with Irish Hospice Foundation and ALONE	HSE Dublin and Midlands
DML04	Safer Steps: Standardising Integrated Multifactorial Falls Assessment and Intervention	HSE Dublin and Midlands
DML05	Delivering Integrated Care Together".Evaluation of DESMOND (Diabetes Education and Self-Management) in a community-based setting.	HSE Dublin and Midlands
DML06	Evaluation of GP Practice Knowledge, Pathways & Utilisation of the Diabetes Naas Chronic Disease Hub	HSE Dublin and Midlands
DML07	Right Care, Right Place: Auditing the Management of Older Adults in an Integrated Diabetes Clinic	HSE Dublin and Midlands
DML08	Breathing Better Together: A Six-Week Group CBT Intervention for Integrated COPD Management	HSE Dublin and Midlands
DML09	A Multidisciplinary Respiratory Clinic Model for Patient-Centred Care	HSE Dublin and Midlands
DML10	Changes in Physical Function and Self-Rated Health Through a Community-Based HSE Integrated Exercise Programme	HSE Dublin and Midlands
DML11	Outcomes and effectiveness of a community based cardiac rehabilitation programme	HSE Dublin and Midlands
DML12	Four year journey in development & delivery of dietetic service in Tallaght Chronic Disease Hub	HSE Dublin and Midlands
DML13	THRIVE: Theory of Health Risks Involved in Variances of Equity for women in heart failure	HSE Dublin and Midlands
DML14	Access and Outcomes in Structured Chronic Disease Management in Primary Care in High Income Countries	HSE Dublin and Midlands
DML15	Embedding Partnership into Post-Fall Safety in Residential Older Person Care	HSE Dublin and Midlands
DML16	Developing an IRESTORE resident and family information leaflet: A collaborative design approach	HSE Dublin and Midlands
DML17	Development of O'Dea's Social Club for COH Older Persons residents and those living with dementia	HSE Dublin and Midlands
DML18	Prevalence of Sarcopenia in an Age-Related Rehabilitation Cohort, also considering VitaminD status & Falls history	HSE Dublin and Midlands
DML19	Measuring the impact of therapy-led acute rehabilitation on complexity and discharge pathways using the RCS-E	HSE Dublin and Midlands
DML20	Advancing Equitable Neurorehabilitation: Inclusion Health in Ireland's First Level 2 Specialist Neurorehabilitation Demonstrator Service	HSE Dublin and Midlands
DML21	Front-line Innovation and Service Design: Benefit of an Interdisciplinary Home Support Therapy Team Laois Offaly	HSE Dublin and Midlands
DML22	Stay Steady at Home: Improving Strength, Confidence and Falls Risk Through Integrated Home Care	HSE Dublin and Midlands
DML23	Ageing well in the Community programme	HSE Dublin and Midlands
DML24	An exploration of the self-perceived competency among health care professionals in providing malnutrition care	HSE Dublin and Midlands
DML25	Patient characteristics and outcomes in a community Nurse-led Lymphoedema / Wound Clinic: A Retrospective Review	HSE Dublin and Midlands
DML26	All-Ireland Palliative Care Education Network to Advance Integrated Care Delivery: Cross-Border Priorities for Workforce Development	HSE Dublin and Midlands
DML27	Building Bridges: A National Collaborative Approach to Developing General Practice Paediatric Sepsis Education in Ireland	HSE Dublin and Midlands
DML28	Advancing Community Pharmacy Services: Development and Evaluation of Pharmacist Assessment Forms for Common Conditions Service	HSE Dublin and Midlands
DML29	TUH Complex Discharge Action Team, a review of the impact on F Type (Legal) cases.	HSE Dublin and Midlands
DML30	Implementation of a Seizure Pathway and Epilepsy Rapid Access Clinic at Tallaght University Hospital	HSE Dublin and Midlands
DML31	Improving seizure management in a Model 3 hospital in the Midlands.	HSE Dublin and Midlands
DML32	A Regional Seizure Pathway: ANP-Led Integration Between Tullamore Emergency Department and St. James's Epilepsy Service	HSE Dublin and Midlands
DML33	Headache Disease Burden and Service Demands: Insights from a Review of Specialist Headache Services	HSE Dublin and Midlands
DML34	Can Multi-disciplinary Simulation-Based Training Reduce Time To Delivery Of Blood Products During A Massive Transfusion	HSE Dublin and Midlands
DML35	An Advanced Practice Occupational Therapy (APOT) Led Integrated Hand and Wrist Clinic (iHAWc)	HSE Dublin and Midlands
DML36	One assessment, multiple interventions: an interdisciplinary advanced practice model for post-stroke care	HSE Dublin and Midlands
DML37	Breaking the Cycle: A Multidisciplinary Self-Dilation Pathway for Refractory Dysphagia Post-Laryngectomy	HSE Dublin and Midlands

HSE Integrated Healthcare Conference 2026 - Poster Presentations organised by Regions		
Poster Number	**Poster Title**	**HSE Health Region**
DML38	Slaintecare in Action: Delivering Integrated Pleural Effusion Care Through Ambulatory and Community-Based Services.	HSE Dublin and Midlands
DML39	Connecting the Dots in Tuberous Sclerosis Complex: A Governance-Led Model for Rare-Disease MDT Development	HSE Dublin and Midlands
DML40	Transnasal Endoscopy: A Simple Scalable Approach to Manage Waiting Times for Upper Endoscopy in Ireland.	HSE Dublin and Midlands
DML41	An Integrated Approach to Cirrhosis Care Using Lean Management Principles	HSE Dublin and Midlands
DML42	Gentle Jamming Ukulele Group - An Occupational Therapy Music Initiative in Kildare West Wicklow MHS	HSE Dublin and Midlands
DML43	Sight loss is associated with worsening depressive and anxiety symptoms among older adults.	HSE Dublin and Midlands
DML44	Service Development in NCSD Antipsychotic Prescribing - Utilising EPR to Audit and Intervene	HSE Dublin and Midlands
DML45	Integrated Healthcare in Care of the Older Person - Psychiatric Inreach to Medical Day Hospital	HSE Dublin and Midlands
DML46	The Mental Health Transfer Project in Dublin South, Kildare & West Wicklow, Community Healthcare.	HSE Dublin and Midlands
DML47	The Creating Foundations Housing Support Service in Dublin South, Kildare & West Wicklow, Community Healthcare.	HSE Dublin and Midlands
