

HSE Integrated Healthcare Conference 2025 - Poster Presentations organised by Submission Theme

First Name	Last Name	Theme	Paper Title	HSE Health Region
Advancing Outcomes: Promoting Productivity in Healthcare Delivery				
Sandra	McCarthy	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Nursing Workforce Leadership within Integrated Care Programme for Chronic Disease – ensuring nursing expertise collaborations	HSE Centre
Mary	Bedding	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	IRESTORE Residential Older Persons Early Warning System Test of Concept Project - The Results	HSE Centre
Ciara	Kirke	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Going global in reducing medication-related harm – My Medicines List	HSE Centre
Louise	Brent	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Using data to drive improvements in care: Impact of the National Office of Clinical Audit	HSE Centre
Deirdre	Ryan	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Transforming Daily Oral Care in Healthcare Settings	HSE Centre
Rosie	Gowran	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	A Guidance to Support Sustainable Practice Education within Children's Disability Network Teams: Engaging Key Stakeholders	HSE Centre
Suzanne	Seery	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Service evaluation of the Best Health Programme for Obesity Management delivered in the ICPCD Hubs.	HSE Centre
Aine	Maloney	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Reducing Missed Appointments In Chronic Disease Management: A Study Of Targeted Interventions In Two Hubs	HSE Dublin and Midlands
Margaret	Mac Guinness	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	The influence of residency on attendance at Discover Diabetes-Type 2.	HSE Dublin and Midlands
Brenda	Deering	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Short-Term Pulmonary Rehabilitation: Impact on Quality of Life in COPD and Asthma Using the EuroQol	HSE Dublin and Midlands
Emma	Frame	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	The Dreaded 'F' Word ! Are Community Physiotherapists managing Falls Effectively ?	HSE Dublin and Midlands
Rachel	Ward	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	“Empowering Local Facilitators to Drive Reform: Implementing National Clinical Guideline No. 21”	HSE Dublin and Midlands
Claire	Noonan	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Enhancing Nursing Home Resident Care Through Integrated Acute Care Pathways	HSE Dublin and Midlands
Sandra	Shaughnessy	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	The importance of community integrated care in the management of chronic lung disease	HSE Dublin and Midlands
Cara	Cunningham Gray	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Telephone calls by HSE Live effectively engage people with Diabetes to Self-Management education	HSE Dublin and Midlands
Ciara	Conlan	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Strengthening the Public Health Response to Chronic Hepatitis B in the Dublin and Midlands region	HSE Dublin and Midlands
Maria	McKenna	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Enhancing Nutritional Quality through standardised Menus in Community Nursing Units: A Collaborative Menu Improvement Project	HSE Dublin and Midlands
Nicola	Mcshane	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Bridging The Gap: Between an Older Adult Attending Ambulatory Day Units and Acute Hospital Presentation.	HSE Dublin and North East
Devi	Mohan	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Transforming Bone Health: Reforming Secondary Fracture Prevention Care through Fracture Liaison Service (FLS)	HSE Dublin and North East
Anu	Mathew	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Continence Promotion Clinical Nurse Specialist (CNS) role in improving incontinence in a post-acute rehabilitation setting	HSE Dublin and North East
Michael	Corkery	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	A Communication Strategy and Awareness Campaign to Generate Referrals to an Integrated Care Dietetic Service	HSE Dublin and North East
Simone	Walsh	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Defining the role of the Research Nurse and Midwife: An Initiative by the IRNM	HSE Dublin and North East
Dawn	Kelly	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Day Centre Ring of Kerry Cycle Challenge to increase weekly moderate intensity physical activity levels	HSE Dublin and South East
Lisa	Byrne	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Falling Through the Gaps: early Evaluation of ANP-led Falls Assessment in Older People in Rehabilitation.	HSE Dublin and South East
Michael	Lockhart	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	HbA1c Impact of an Integrated Diabetes MDT Clinic Episode of Care - the Carlow/Kilkenny Experience	HSE Dublin and South East
Mary-Jane	Brassill	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Clinical impact of a Diabetes Community Specialist MDT clinic: A review of outcomes	HSE Dublin and South East
Patricia	Davis	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Oxygen Assessment and Review (OAR) clinic. More than ABGs and walk tests	HSE Dublin and South East
Muthuraman	Krishnamoorthy	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Walk test outcomes in Pulmonary rehabilitation programmes with varied or no access to cardiovascular equipment.	HSE Dublin and South East
Martina	Carroll	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Lived Patient Experiences in the Wexford Chronic Disease Hub	HSE Dublin and South East
Lynn	Chadwick	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	"Strains, sprains and soft tissue injuries"- equitable, timely care for all acute ankle injuries	HSE Dublin and South East
Mary	Ward	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Evaluating the contribution of nurse specialist-led clinics in Integrated Care - a Patient Satisfaction Survey	HSE Dublin and South East
Lincy	Baiju	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Sustaining Integrated Care in Community: A Renal Pathway Partnership Between CIT and St James’s Hospital	HSE Dublin and South East
Karen	Guico	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	An Audit of Type 2 Diabetes Patients Discharged from ICPCD Midwest Diabetes Nurse-Led Clinics 2024.	HSE Mid West
Clodagh	Kearin	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Reforming Care Planning :Adopting a Flexible and Inclusive Multidisciplinary Approach in an Acute Care Setting	HSE South West
Caroline	Doyle	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Caring Together- a partnership between HSE and Community to address Care Management in CHNs.	HSE South West
Deborah	Casey	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Enhancing Healthcare Delivery: An Integrated Multidisciplinary Team Approach to Advancing Outcomes and Promoting Productivity	HSE South West
Enda	Clarke	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Community based rehabilitation for patient’s post hip fracture	HSE South West
Ann	Cummins	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Nursing Management of Adults at Home with a Nephrostomy Tube – A Quality Improvement Initiative	HSE South West
Samantha	Ibbs	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Creating an Integrated Referral Process into Primary Care Children's Therapy Services in South West Donegal	HSE West and North West
Ciara	Kirke	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Safety and Savings: Economic analysis of pharmacist-led person-centred medicines reviews in general practice.	HSE West and North West
Conor	Clancy	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Designing with Experience: Perspectives of Older Adults and Caregivers on Educational Series about Geriatric Syndromes	HSE West and North West
Dominic	Doyle	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Screening for Obstructive Sleep Apnoea in Respiratory Integrated Care clinics	HSE West and North West
Adam	Nevin	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Is Sligo-Leitrim MASS meeting targets as set by the MoC for dementia Ireland 2023?	HSE West and North West
Tomás	Ó Flatharta	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	“Home Time” Of Those Attending Community Specialist Team For Older Adults, A Pilot Study	HSE West and North West
Serena	Sorbello	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Assessment of potential barriers to implementing time-bound recommendations from acute setting to primary care.	HSE West and North West
Cheryl	O'Connor	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	To explore the academic qualifications used by General Practice Nurses in their everyday clinical practice	HSE West and North West
Brian	O’Ceallaigh	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	Hand therapy-led post-operative hand clinics as an alternative model of care	HSE West and North West
Ciara	Heverin	Advancing Outcomes: Promoting Productivity in Healthcare Delivery	DESMOND diabetes education in Community Healthcare West: does it make a difference?	HSE West and North West

HSE Integrated Healthcare Conference 2025 - Poster Presentations organised by Submission Theme

First Name	Last Name	Theme	Paper Title	HSE Health Region
Digital Innovation and Healthcare Provision				
Anne	Geary	Digital Innovation and Healthcare Provision	Implementing 'Smart Referring' for GP Radiology Referrals, with POC CDS, in the Arklow area.	HSE Centre
Liam	O'Sullivan	Digital Innovation and Healthcare Provision	Integrating and Transforming Health and Social Care Through Online Peer Support: Care Alliance Ireland	HSE Centre
Sharon	Barry	Digital Innovation and Healthcare Provision	A co-designed rights-based approach to Digital Autism Awareness Training by SIP for the Autistic Community	HSE Centre
Maria	O'Brien	Digital Innovation and Healthcare Provision	SMILE 2INTEGRATED VIRTUAL CASE MANAGEMENT OF PATIENTS WITH MULTIMORBID CHRONIC DISEASE	HSE Centre
Stephen	Barrett	Digital Innovation and Healthcare Provision	Co-designing A Health and Wellbeing Profile For Older Adults Within The Irish Health System	HSE Centre
Bláthín	Casey	Digital Innovation and Healthcare Provision	Building capacity to implement a national Physical Activity Pathway in the Irish healthcare system.	HSE Centre
Melissa	Boland	Digital Innovation and Healthcare Provision	interRAI Ireland: 2024 Data Snapshot from the National Digital interRAI Ireland Care Needs Assessment System	HSE Centre
Lorraine	Dolan	Digital Innovation and Healthcare Provision	A Randomised Study Of Video Observed Therapy Versus Directly Observed Therapy In Tuberculosis Care	HSE Dublin and Midlands
Matthew	Gibb	Digital Innovation and Healthcare Provision	Maximising Microlearning Impact: Enhancing Engagement, Completion Rates, and Flexibility for Busy Healthcare Professionals	HSE Dublin and Midlands
Maeve	Moran	Digital Innovation and Healthcare Provision	Towards a unified Electronic Patient Record in Ireland: Bibliometric analysis and lessons from international implementations	HSE Dublin and Midlands
Ana	Llorca Benet	Digital Innovation and Healthcare Provision	Evaluation of SMH Psychology's Information and Communication Technology approach to managing PBS and Dementia Assessments	HSE Dublin and North East
Chinnu	Joseph	Digital Innovation and Healthcare Provision	Smart Digital Care: A Community Cardiology Nurse Specialist Team Initiative	HSE Dublin and North East
Una	Hendroff	Digital Innovation and Healthcare Provision	Development and Implementation of a Paperless System for Dietary and SLT Guidance in Long-Term Care	HSE Dublin and South East
Nicholas	Ng Khay Jin	Digital Innovation and Healthcare Provision	Continuous glucose monitoring (CGM) in the Frail Adult with Type 2 Diabetes (T2DM)	HSE Dublin and South East
Laura	Rice	Digital Innovation and Healthcare Provision	STOP@home: Pilot study evaluating Supportive Technology for Older Persons living independently in Ireland.	HSE Dublin and South East
Louise	Proctor	Digital Innovation and Healthcare Provision	Using Digital Solutions to Creating a Pathway for Integrated Care for Older Persons	HSE Dublin and South East
Glenda	Hahn	Digital Innovation and Healthcare Provision	Leading with Hearts and Minds: Advancing Integrated Care -Older Adults -Team Empowerment /Digital File Management	HSE Dublin and South East
Nyasha	Mukwasha	Digital Innovation and Healthcare Provision	Staff Health and Wellbeing :Empowering Healthcare Professionals to Thrive	HSE Dublin and South East
Úna	O'Connor	Digital Innovation and Healthcare Provision	Setting up a Virtual Ward in University Hospital Limerick to serve HSE Mid West Community	HSE Mid West
Úna	O'Connor	Digital Innovation and Healthcare Provision	Brave new era for non-bedded acute care management of respiratory patients in University Hospital Limerick.	HSE Mid West
Maeve	Collins	Digital Innovation and Healthcare Provision	An Integrated multidisciplinary approach to supporting families around autism and food	HSE South West
Tamaryn	Storrier	Digital Innovation and Healthcare Provision	Dictated electronic discharges in the emergency department - First in Ireland	HSE South West
Catherine	Kelly	Digital Innovation and Healthcare Provision	Bedside blood testing and treatment at home for our older adults in Letterkenny Pathfinder. QIP	HSE West and North West
Selene	Daly Tarpey	Digital Innovation and Healthcare Provision	'CNME Connects: A Podium for Nursing and Midwifery Stories and Professional Development'	HSE West and North West
Donough	McBrearty	Digital Innovation and Healthcare Provision	An accelerometry-based evaluation of physical activity and sitting time in cardiac rehabilitation participants	HSE West and North West
Emma	Burke	Digital Innovation and Healthcare Provision	Shift Left, Digital Innovation: Transforming Galway COPD Care and saving Inpatient Beds	HSE West and North West
Elizabeth	Gethins	Digital Innovation and Healthcare Provision	Digitalising Data - Supporting Service Development and Delivery	HSE West and North West
Driving Awareness: Innovations in Mental Health Support				
Grainne	Begley	Driving Awareness: Innovations in Mental Health Support	Advancing Practice: Identifying training and support needs for Psychologists working with Refugees/Applicants seeking Protection	HSE Centre
Harpreet	Kaur	Driving Awareness: Innovations in Mental Health Support	Psychological Distress in Crisis Pregnancy: A Call for Integrated, Patient-Centered Care in Ireland	HSE Dublin and Midlands
Deirdre	Deegan	Driving Awareness: Innovations in Mental Health Support	Mood Boosting Movement: Occupational Therapists supporting individuals with mental illness to become people who exercise	HSE Dublin and Midlands
Patrice	Delahunty	Driving Awareness: Innovations in Mental Health Support	Woodlands for Health Programme: A Nature-Based Mental Health Intervention for Adults in Kildare/West Wicklow MHS	HSE Dublin and Midlands
Caroline	Sherlock	Driving Awareness: Innovations in Mental Health Support	The Wellbeing Toolkit; A Chronic Kidney Disease Support group.	HSE Dublin and Midlands
Diarmuid	Hickey	Driving Awareness: Innovations in Mental Health Support	"Medical Matters" – Patient-Centred Health Promotion in Severe Mental Illness	HSE Dublin and North East
Dr Rebecca	Heslin	Driving Awareness: Innovations in Mental Health Support	Managing Big Feelings: Supporting Preschools in the NEIC	HSE Dublin and North East
Emer	Rutledge	Driving Awareness: Innovations in Mental Health Support	Integrated care in mental health crisis: the value of open dialogue	HSE Dublin and North East

		HSE Integrated Healthcare Conference 2025 - Poster Presentations organised by Submission Theme		
First Name	Last Name	Theme	Paper Title	HSE Health Region
Empowering Communities: Redefining Care through the Shift Left				
Susan	Curtis	Empowering Communities: Redefining Care through the Shift Left	Empowering Asthma and COPD Patients Through Collaborative Self-Management Strategies: Leveraging Partnerships for Enhanced Care	HSE Centre
Deirdre	Lang	Empowering Communities: Redefining Care through the Shift Left	Ageing Well With Frailty: The development of a co-designed education programme for the general public	HSE Centre
Aoife	Ward	Empowering Communities: Redefining Care through the Shift Left	Developing a national Cardiac Rehabilitation Clinical Action Guide enabling care delivery closer to/at home	HSE Centre
Bláthín	Casey	Empowering Communities: Redefining Care through the Shift Left	National Physical Activity and Sedentary Behaviour Guidelines for Ireland for People Living with Chronic Conditions	HSE Centre
Liz	Kirby	Empowering Communities: Redefining Care through the Shift Left	Transforming Care for Women Post Gestational Diabetes	HSE Centre
Ellen	Martin	Empowering Communities: Redefining Care through the Shift Left	Engaging all pharmacists in antimicrobial stewardship through the development of Pharmacist Antimicrobial Stewardship Network (PAMS-net)	HSE Centre
Paul	Maloney	Empowering Communities: Redefining Care through the Shift Left	Implementation of the Model of Care for Dementia in Ireland (2023)	HSE Centre
Sonja	Moore	Empowering Communities: Redefining Care through the Shift Left	STOP-CVD: Natriuretic peptide screening in the HSE Chronic Disease Management Programme – an evaluation of an integrated model of care within EU4Health JACARDI	HSE Centre
Kay	Morris	Empowering Communities: Redefining Care through the Shift Left	Lymphoedema management can prevent cellulitis	HSE Centre
Sean	Fleming	Empowering Communities: Redefining Care through the Shift Left	Point-of-Care Ultrasound. Shifting dyspnoea assessment left.	HSE Dublin and Midlands
Aarti	Gupta	Empowering Communities: Redefining Care through the Shift Left	Experiences of patients in the community treated on Outpatient Parenteral Antimicrobial Therapy (OPAT), systematic review.	HSE Dublin and Midlands
Deirdre	McNally	Empowering Communities: Redefining Care through the Shift Left	The Carers Cafe: Social Work-led Community-Based Model of Support for Family Carers of Older Adults	HSE Dublin and Midlands
Aidan	Stankard	Empowering Communities: Redefining Care through the Shift Left	Incontinence, Frailty and Care Needs: Insights from an ICPOP Community Specialist Team	HSE Dublin and Midlands
Aidan	Stankard	Empowering Communities: Redefining Care through the Shift Left	Evaluating the Prevalence and Impact of Frailty in an ICPOP Community Specialist Team	HSE Dublin and Midlands
Rachel	Kenny	Empowering Communities: Redefining Care through the Shift Left	Transforming Ageing at Home: Evaluating ALONE’s Role in Reforming Care for Older People	HSE Dublin and Midlands
Jennifer	Brady	Empowering Communities: Redefining Care through the Shift Left	Development of a novel Ambulatory and Community based Pleural Effusion Service in St James Hospital	HSE Dublin and Midlands
Denise	Croke	Empowering Communities: Redefining Care through the Shift Left	Making Every Contact Count : Adapting the MECC Programme for Traveller Primary Healthcare Workers.	HSE Dublin and Midlands
Ali	McCann	Empowering Communities: Redefining Care through the Shift Left	"Breathing Life into our Communities": Outcomes from a Pulmonary Rehabilitation Survey in the Naas Hub”	HSE Dublin and Midlands
Anna	Mulcahy	Empowering Communities: Redefining Care through the Shift Left	Evaluating a Community-Based Approach to Cataract Care	HSE Dublin and Midlands
Una	O'Neill	Empowering Communities: Redefining Care through the Shift Left	You're Voice "A Patient Survey: Enhancing Diabetes Integrated Care at Naas Community Hub”	HSE Dublin and Midlands
Shauna	Clarke	Empowering Communities: Redefining Care through the Shift Left	Development of a Home Gastrostomy Tube Replacement Service in DSKWW Community Healthcare	HSE Dublin and Midlands
Sharon	Keating	Empowering Communities: Redefining Care through the Shift Left	Innovating Delirium Care: An ICPOP Advanced Nurse Practitioner-Led Community Pathway”	HSE Dublin and Midlands
Aoife	Quinn	Empowering Communities: Redefining Care through the Shift Left	Who cares for the carers? An ICPOP approach to reduce carer strain.	HSE Dublin and Midlands
Shauna	Clarke	Empowering Communities: Redefining Care through the Shift Left	A Dietitian-Led Collaborative Model of Care for a Medically Complex Patient receiving Home Enteral Nutrition	HSE Dublin and Midlands
Ciara	Parthiban	Empowering Communities: Redefining Care through the Shift Left	Empowering Patients through Integrated Ambulatory Pleural Catheter Care: Hospital-to-Home model.	HSE Dublin and Midlands
Mary	Doolan	Empowering Communities: Redefining Care through the Shift Left	Supporting older people to live well through collaboration - ICPOP Living Well at Home	HSE Dublin and Midlands
Eimear	Noonan	Empowering Communities: Redefining Care through the Shift Left	Empowering Communities: Advancing Age Friendly Terenure through Collaboration with CHN Rathmines, Terenure & Templeogue	HSE Dublin and Midlands
Sarah	Fall	Empowering Communities: Redefining Care through the Shift Left	Patient Outcomes & Experiences of an Integrated Heart Failure Service: Supporting the HSE Shift-Left Initiative	HSE Dublin and Midlands
Eimear	McCormack	Empowering Communities: Redefining Care through the Shift Left	Healthy Age Friendly Homes Pilot Evaluation and Recommendations for Phase 2	HSE Dublin and Midlands
Barbara	McNaney	Empowering Communities: Redefining Care through the Shift Left	Transitioning Care: A Joint RANP-Podiatry Clinic for the Management of Stable Diabetic Foot Infections.	HSE Dublin and North East
Fiona	Guihen	Empowering Communities: Redefining Care through the Shift Left	Comhrá Café Communication Project	HSE Dublin and North East
Jossy	Joseph	Empowering Communities: Redefining Care through the Shift Left	The initiation of the ANP- led Respiratory integrated clinic in Dublin North Central	HSE Dublin and North East
Mary	Sweeney	Empowering Communities: Redefining Care through the Shift Left	Evidence based community falls classes provided by integration of ICTOP with community sports partnerships	HSE Dublin and North East
Maura	Creegan	Empowering Communities: Redefining Care through the Shift Left	Reviewing the Impact of the Early Supported Discharge (ESD) Team in County Cavan	HSE Dublin and North East
Pauline	Robinson	Empowering Communities: Redefining Care through the Shift Left	Testing of the National Osteoarthritis Hip & Knee Pathway	HSE Dublin and North East
Marie	Cantwell	Empowering Communities: Redefining Care through the Shift Left	Strengthening Integrated Care through Practice Development: Empowering the General Practice Nurse	HSE Dublin and North East
Ger	Matthews	Empowering Communities: Redefining Care through the Shift Left	Implementation of Making Every Contact Count (MECC) in Primary Care Physiotherapy practice	HSE Dublin and North East
Cherry	Wynne	Empowering Communities: Redefining Care through the Shift Left	Respiratory Integrated Care for a Marginalised Population in Dublin North Central (A Pilot Study)	HSE Dublin and North East
David	Gavin	Empowering Communities: Redefining Care through the Shift Left	Exercise Effect Programme HSE Dublin and North East	HSE Dublin and North East
Ligimol	Varghese	Empowering Communities: Redefining Care through the Shift Left	Exploring role of GPs in Clinical Team Meetings and impact of integration in shifting left	HSE Dublin and North East
Louise	Potter	Empowering Communities: Redefining Care through the Shift Left	Empowering Communities in Darndale: A Community Health Worker Model	HSE Dublin and North East
Agnes	Flynn	Empowering Communities: Redefining Care through the Shift Left	Primary Care Audit Tool	HSE Dublin and North East
Suzanne	Earls	Empowering Communities: Redefining Care through the Shift Left	Impact of Primary Prevention Strategies on Cardiovascular Risk: Initial Experience from ICH, Bray	HSE Dublin and South East
Justyne	O'Gara	Empowering Communities: Redefining Care through the Shift Left	The Evolving Role of Speech and Language Therapists within Specialist Frailty Teams, A National Perspective	HSE Dublin and South East
Noeleen	Bourke	Empowering Communities: Redefining Care through the Shift Left	Enhancing Rapid Access in Integrated Older Person Care: Implementation Challenges and Critical Success Factors	HSE Dublin and South East
Sara	Leitao	Empowering Communities: Redefining Care through the Shift Left	Enabling conversations and supporting personalised care wishes: Integrating level 1 palliative care wherever the place	HSE Dublin and South East
Heloise	Imbert	Empowering Communities: Redefining Care through the Shift Left	The importance of maintaining outdoor mobility to improve strength and balance	HSE Dublin and South East
Laura	Rice	Empowering Communities: Redefining Care through the Shift Left	Early nutrition intervention utilising technology to support older adults to live independently (STOP@home)	HSE Dublin and South East
Aideen	McGuinness	Empowering Communities: Redefining Care through the Shift Left	IDENTIFYING AND TACKLING FOOD FRUSTRATIONS IN EARLY COGNITIVE DECLINE	HSE Dublin and South East
Orlaith	O'Reilly	Empowering Communities: Redefining Care through the Shift Left	General Practice Chronic Disease Prevention and Management Programme (CDM)	HSE Dublin and South East
Mary	O'Sullivan	Empowering Communities: Redefining Care through the Shift Left	Development and delivery of tailored Type 2 Diabetes education for Community Traveller Health workers	HSE Dublin and South East
Niamh	Julian	Empowering Communities: Redefining Care through the Shift Left	Domiciliary Pulmonary Rehabilitation- experiential learning. The good, the bad and the ghosting!	HSE Dublin and South East
Dorothy	Moore	Empowering Communities: Redefining Care through the Shift Left	PREM (Patient Reported Experience) Survey of Care delivered in Enhanced Community Care in Carlow/Kilkenny.	HSE Dublin and South East
Liz	Nolan	Empowering Communities: Redefining Care through the Shift Left	Shifting Care to the Community and Sharing the Care to Help Age In Place	HSE Dublin and South East
Grace	Kelly	Empowering Communities: Redefining Care through the Shift Left	Smart Moves: Empowering children in disadvantaged areas through targeted motor skills interventions	HSE Mid West
Niamh	Keating	Empowering Communities: Redefining Care through the Shift Left	MECC Community Connect: Linking Hospital and Community services to Support Lifestyle Behaviour Change	HSE Mid West
Rachel	McNamara	Empowering Communities: Redefining Care through the Shift Left	Clare Healthcare Access Project (C.H.A.P.): Improving access to primary care network services in County Clare	HSE Mid West
Sinead	Killeen	Empowering Communities: Redefining Care through the Shift Left	Physical Activity Signposting (PAS) - a multiagency approach supporting physical activity behaviour change across Limerick.	HSE Mid West
Katherine	Harford	Empowering Communities: Redefining Care through the Shift Left	Kidscope Paediatric Clinic: An Integrated Model of Care improving outcomes for children in disadvantaged communities.	HSE South West
Mairead	Lehane	Empowering Communities: Redefining Care through the Shift Left	The Upbeat Programme: Development of a theory-driven, evidence-based, heart failure self-care intervention	HSE South West
Edel	Brennan	Empowering Communities: Redefining Care through the Shift Left	Developing a Falls Prevention Framework: Collaborative Approach across Community Services Cavan, Donegal, Leitrim, Monaghan, Sligo	HSE West and North West
Laura	O'Connor	Empowering Communities: Redefining Care through the Shift Left	Managing chronic conditions in primary care; what's next after deciding research priorities?	HSE West and North West
Anita	Hayes	Empowering Communities: Redefining Care through the Shift Left	Promoting Independence and Ageing in Place: Older Adults’ Perceptions of a Community-Based Falls Prevention Programme	HSE West and North West
Ciara	Kirke	Empowering Communities: Redefining Care through the Shift Left	Evaluating general practice pharmacist-led medicines review on prescribing appropriateness and patient-reported outcomes	HSE West and North West
Marie	Cuddy	Empowering Communities: Redefining Care through the Shift Left	Diabetic Retinopathy Screening Uptake among Travellers in Galway, Mayo and Roscommon (CHO2)	HSE West and North West
Donna	Mc Gee	Empowering Communities: Redefining Care through the Shift Left	Empowering Salon Professionals- Understanding, Domestic Violence, Coercive Control & Addiction- How you can help?	HSE West and North West
Bernadette	McDonnell	Empowering Communities: Redefining Care through the Shift Left	Bridging hospital and community: Integrated Diabetes Care across hospital and the Mayo Chronic Disease Hub	HSE West and North West
Maria	Armstrong	Empowering Communities: Redefining Care through the Shift Left	Development of hybrid model of care for ICPOP service users in Sligo region.	HSE West and North West
Aisling	O'Connor	Empowering Communities: Redefining Care through the Shift Left	Enhanced community care, a new model of care for T2DM: a real-world observational study	HSE West and North West
Sinead M	Walsh	Empowering Communities: Redefining Care through the Shift Left	Shifting COPD and Asthma Care Left: Analysis of the ‘One Stop’ Community Diagnostic Clinic.	HSE West and North West
Lynn	Stoddart	Empowering Communities: Redefining Care through the Shift Left	Transitioning Haemochromatosis Care from Hospital to Community – an integrated approach (IHA Sligo Leitrim)	HSE West and North West
James	O'Dwyer	Empowering Communities: Redefining Care through the Shift Left	Empowering Clients and Shifting Care to the Left: Outcomes from an Integrated Cardiac Rehabilitation Service	HSE West and North West
Shirley	Cronin	Empowering Communities: Redefining Care through the Shift Left	My Care, My Voice:Service user led Integrated Care for IPA Women	HSE West and North West

HSE Integrated Healthcare Conference 2025 - Poster Presentations organised by Submission Theme				
First Name	Last Name	Theme	Paper Title	HSE Health Region
Enhancing Inclusion: Enhancing support for individuals with disabilities				
Deirdre	Lang	Enhancing Inclusion: Enhancing support for individuals with disabilities	Adapting the National Frailty Education Programme for the Intellectual Disability Sector	HSE Centre
Rosie	Gowran	Enhancing Inclusion: Enhancing support for individuals with disabilities	A Study Exploring the Factors Impacting Individuals with Spinal Cord Injuries Engagement in Physical Activity	HSE Centre
Fiona	Smyth	Enhancing Inclusion: Enhancing support for individuals with disabilities	EverActive: A Collaborative, Community-Based Approach to Promoting Brain Health and Wellbeing in Older Adults	HSE Dublin and Midlands
Diana	Burgui	Enhancing Inclusion: Enhancing support for individuals with disabilities	Clinical Integration of Social Work in the Diagnosis and Management of Young Onset Dementia	HSE Dublin and Midlands
Mary	McGrath	Enhancing Inclusion: Enhancing support for individuals with disabilities	Enhancing respite provision in disability services: a quality improvement project.	HSE Dublin and Midlands
Florence	Horsman Hogan	Enhancing Inclusion: Enhancing support for individuals with disabilities	Restrictive Practices Education Through the Human Rights Lens in an Older Person Residential Care Service	HSE Dublin and South East
Rebecca	Wyse	Enhancing Inclusion: Enhancing support for individuals with disabilities	Autism, Trauma and PTSD - a systematic review of the literature	HSE Dublin and South East
Sarah-Jane	Boyle	Enhancing Inclusion: Enhancing support for individuals with disabilities	The Transformative & Integrative Role of the CNM2 Acute Intellectual Disability Liaison Nurse	HSE Dublin and South East
Ronan	Kelly	Enhancing Inclusion: Enhancing support for individuals with disabilities	Testing a Citizen Science Approach to Evaluating Peer Support Services in Rehabilitation: A Protocol	HSE Dublin and South East
Leanne	Ahern	Enhancing Inclusion: Enhancing support for individuals with disabilities	A randomised controlled feasibility study for physical activity and exercise promotion among people with Parkinson's	HSE South West
Irene	Durkan	Enhancing Inclusion: Enhancing support for individuals with disabilities	Using a digital platform: Multi Me to align PCP practice to the National PCP Framework	HSE West and North West
Integrated Healthcare Provision and the transformation to the Regions				
Sahar	Hammoud	Integrated Healthcare Provision and the transformation to the Regions	Understanding Roles: How Working in Integrated Care Teams for Older Adults Shapes Professional Role Clarity	HSE Centre
Sharon	Barry	Integrated Healthcare Provision and the transformation to the Regions	The Development and Piloting of the Autism Assessment & Intervention Pathways Protocol	HSE Centre
Patrice	Reilly	Integrated Healthcare Provision and the transformation to the Regions	Capturing the Lived Experience of Integrated Care Programme for Older Persons Community Specialist Teams	HSE Centre
Geraldine	McCarthy	Integrated Healthcare Provision and the transformation to the Regions	Regional Implementation of Psychiatry of Old Age (POA) services: Integration with Acute Hospital, Older persons, MASS and Nursing Home development: Regional gap analysis	HSE Centre
Suresh	Swaminathan	Integrated Healthcare Provision and the transformation to the Regions	Mitigating Fall Risk: Survey Findings and Suggestions from an ISAT-Driven Integrated Care Strategic Approach	HSE Dublin and Midlands
Alison	Murphy	Integrated Healthcare Provision and the transformation to the Regions	Evaluating the Impact of ICPOP CST on Emergency Admissions & Financial Savings: A Retrospective Audit	HSE Dublin and Midlands
Alison	Murphy	Integrated Healthcare Provision and the transformation to the Regions	Towards Age Friendly Healthcare – Walkability Study of Clondalkin Primary Care Centre	HSE Dublin and Midlands
Mary	Costello	Integrated Healthcare Provision and the transformation to the Regions	Collaboration and Integration of Acute and Primary Care vascular and tissue viability services Legs 11	HSE Dublin and Midlands
Gráinne	Larkin	Integrated Healthcare Provision and the transformation to the Regions	Tuberculosis Contact Tracing in Dublin Midlands Region: Innovation for Access and Equity	HSE Dublin and Midlands
Aarti	Gupta	Integrated Healthcare Provision and the transformation to the Regions	"South Dublin CIT: Bridging Hospital and Home,Bringing the best of health & integrated care together"	HSE Dublin and Midlands
Veronica	Smith	Integrated Healthcare Provision and the transformation to the Regions	Streamlining access to Multidisciplinary Foot Protection Team (MDFT) through integrated community and acute services approach.	HSE Dublin and Midlands
Michelle	Grogan	Integrated Healthcare Provision and the transformation to the Regions	Páiste, an Interdisciplinary Paediatric Team Integrated within Primary Care	HSE Dublin and Midlands
Fiona	Foley	Integrated Healthcare Provision and the transformation to the Regions	Brain Health Research into the publics' awareness of dementia risk factors, with focus on women	HSE Dublin and Midlands
Sharon	Keating	Integrated Healthcare Provision and the transformation to the Regions	From Overwhelmed to Empowered: An ICPOP-Led Education Programme for Carers	HSE Dublin and Midlands
Joan	O'Shea	Integrated Healthcare Provision and the transformation to the Regions	Case Study Addressing Two Pillars of Integrated Care - Shared Vision and People as Partners	HSE Dublin and Midlands
Louise	Gray	Integrated Healthcare Provision and the transformation to the Regions	Reflections on introducing speech and language therapy to an integrated care team for older people.	HSE Dublin and Midlands
Fadila	Byrne	Integrated Healthcare Provision and the transformation to the Regions	4 Week Adolescent Cooking Group Pilot: Collaboration Between South Dublin County Partnership & Changing Together.	HSE Dublin and Midlands
Stephen	O'Rourke	Integrated Healthcare Provision and the transformation to the Regions	The Implementation of the National Integrated Low Back Pain Pathway	HSE Dublin and North East
Maria	Pertl	Integrated Healthcare Provision and the transformation to the Regions	Optimising the Effective maNagement of depression among patients with cANCer (ENHANCE) in Ireland.	HSE Dublin and North East
Denise	Hilton	Integrated Healthcare Provision and the transformation to the Regions	A person-centred care approach using Comprehensive Geriatric Assessment in Cavan-Monaghan ICTOP: a case study	HSE Dublin and North East
Elizabeth	Downey	Integrated Healthcare Provision and the transformation to the Regions	Chatterbox 360: integrating OT and PT into a SLT-only prevention & and early intervention service.	HSE Dublin and North East
Caroline	Lambe	Integrated Healthcare Provision and the transformation to the Regions	Project titleTo evaluate patient awareness of the Frailty intervention team (FIT) intervention in ED.	HSE Dublin and North East
Gemma	Brennan	Integrated Healthcare Provision and the transformation to the Regions	GP Engagement in Integrated Care for Chronic Disease; a partnership approach	HSE Dublin and North East
Clodagh	O'Meara	Integrated Healthcare Provision and the transformation to the Regions	Breathlessness Rehabilitation: Integrated Cardio Respiratory Rehabilitation for management of dyspnoea in patients with cardiopulmonary conditions.	HSE Dublin and North East
Jennifer	Kelly O'Haire	Integrated Healthcare Provision and the transformation to the Regions	A service for heart failure (HF) patients linking hospital with community to reduce admissions/adverse events	HSE Dublin and North East
Agnes	McManus	Integrated Healthcare Provision and the transformation to the Regions	Cognitive & Movement Disorder Clinic, CGH & ICTOP Cavan Monaghan. An Integrated Interdisciplinary Approach.	HSE Dublin and North East
Denise	Hilton	Integrated Healthcare Provision and the transformation to the Regions	SLT and Radiology QI initiative for service improvement in Videofluoroscopic clinic in Cavan General Hospital	HSE Dublin and North East
Patrick	Divilly	Integrated Healthcare Provision and the transformation to the Regions	"Reforming secondary care diabetes"; an audit of eligibility for community diabetes CDM programme in SVUH	HSE Dublin and South East
Noeleen	Bourke	Integrated Healthcare Provision and the transformation to the Regions	Regional Integrated Care Approach for ECC Older Persons	HSE Dublin and South East
Marian	Flynn	Integrated Healthcare Provision and the transformation to the Regions	Enhanced care pathways for older persons through Integrated Acute and Community services in Wexford	HSE Dublin and South East
Maedhbh	Ni Chleirigh	Integrated Healthcare Provision and the transformation to the Regions	Oxygen Assessment and Review Clinic – How Are We Doing?!	HSE Dublin and South East
Caoimhe	Langan	Integrated Healthcare Provision and the transformation to the Regions	Establishing a Primary Care Fibre Optic Endoscopic Evaluation of Swallowing (FEES) Service	HSE Dublin and South East
Hayley	Connolly	Integrated Healthcare Provision and the transformation to the Regions	Empowering future health professional students to provide chronic disease management: Implementation of a national curriculum	HSE Dublin and South East
Ushalal	Gopika	Integrated Healthcare Provision and the transformation to the Regions	Patient Satisfaction in Pulmonary Rehabilitation: Results from a Service Evaluation Survey	HSE Dublin and South East
